Dear Councillors

Voting in the 6 May 2021 Elections: This time the elections are for County Councillors and the Police & Crime Commissioner. (Also any bi-elections.)

Postal Voting: Safety precautions are to be taken at polling stations but for the extra care of your health and that of staff at the polling stations a postal vote seems a very good idea. Apply for a postal vote from NNDC – postalvotes@north-norfolk.gov.uk or 01263 513811.

Minister for the Constitution: Rt Hon Chloe Smith has published a [delivery plan](https://www.gov.uk/government/publications/may-2021-polls-delivery-plan/may-2021-polls-delivery-plan) (<https://www.gov.uk/government/publications/may-2021-polls-delivery-plan/may-2021-polls-delivery-plan>) for the May elections - addressing public health and social distancing, nominations and campaigning, voting, delivery of elections.

Libraries Re-opening

Fakenham Library reopens week of 8 March; Holt & Wells reopens week of 15 March. Libraries will begin a phased reopening starting with a click and collect style service. Each library will allow users to pick up selected books, return items and access toiletries or period products through the Tricky Period scheme. Safety measures in place at each location will include the use of face coverings, social distancing and hand sanitiser. Returned books will continue to be quarantined for at least 72 hours. Opening times will be adjusted to fit the new services so customers are being asked to check before they travel.

For further details on services and opening times please visit the libraries website at www.norfolk.gov.uk/libraries or by calling the Norfolk library's helpline on 01603 774777

Apprenticeships: I am delighted to offer the following information – delighted because of the many young people who I know have benefitted from apprenticeships. Hopefully many more will have the opportunity in the future so please read below and share with any young people or organisations who could participate.

Details of Apprenticeships in Norfolk, including opportunities now open for applications, can be found on the Apprenticeships Norfolk website at <https://apprenticeshipsnorfolk.org/>

Opportunities for Employers: Employing an Apprentice does not only give apprentices an opportunity to learn new skills but it is also a rewarding option for employers. Government incentives of up to £3,000 are available until 31st March 2021 and Apprenticeships Norfolk are offering additional £1,000 incentives for non-levy businesses in Norfolk to recruit a young apprentice. Further information is available at <https://apprenticeshipsnorfolk.org/recruit-retain-reward>.

Young People & Mental Health: Norfolk County Council's 'This is how... #wevegotthis' campaign for young people's mental health, promotes improving their mental health and wellbeing. For more details about the campaign go to: <http://www.norfolk.gov.uk/feelgood>

Advice and Support for Bereaved Families: I was undecided as to whether to offer the following information but then recalled the times I would have found it helpful so here goes:

To book a death registration appointment call Norfolk County Council Registration Offices on 0344 800 8020. Further information about this service can be found on this link: [Deaths - Norfolk County Council](#)

Further information about support including links to specialist organisations can be found here: [Bereavement support - Norfolk County Council](#)

COVID-19 Information: Keep these websites for future reference since they are kept up to date:

Information on the national tiers is available at <https://www.gov.uk/guidance/local-restriction-tiers-what-you-need-to-know>

www.norfolk.gov.uk/coronavirus: this site includes local services as well as the latest regulations for Norfolk and reference to many if not all of the government schemes

www.gov.uk/coronavirus: all the government schemes are to be found on this site

www.nhs.uk/coronavirus; separate site if required but linked with the government site.

Again I would like to express my admiration of those who continue to help others in so many ways and not only regarding Covid-19 but the weather. Many who help do so without anyone knowing about their good works – so thank you.

All good wishes

Marie

County Cllr Dr Marie Strong
