

MINUTES of the PARISH COUNCIL MEETING held on Thursday 24 July 2025 at 1930

2025/08

The following are reconstituted from notes taken by Jonathan Smith

Those Present: Karl Jagger, David Reason, Jonathan Smith (Chairman) & Steve Vickers

4) Reports

Received from County and District Councillors and Parish Clerk - Distributed

5) Planning – None

6) To discuss plans for new playground

Attempts to obtain grants were still not producing results.

It was noted that Flagship appeared to have seeded the playground despite the extreme dry weather.

7) To discuss recruitment of and hand -over to new Parish Clerk

KL had suggested that it was perhaps time for him to retire. Nobody had any suggestions as to who might take over, although JS had since thought of someone who might be interested.

8) Financial Report plus accounts paid

A bank reconciliation had been circulated to Councillors

The following amounts had been paid since the last meeting:

a) Website & email hosting	104.47
b) Bank charges July	6.00
c) NALC subscription	114.41
d) K & M lighting – annual subscription	155.23
e) Streetlights – July	17.27

9) Minor Matters

We are still getting people driving through the village too fast. In the past we found that this was worse during the “tourist season”. There was little or no interest in setting up a local Speedwatch group.

The road surface at the top of Chapel Street still needs repairing.
