## Playground Update

Following a decision by the Council to proceed with the proposal for the children's playground submitted by Flagship Housing and having forwarded their contribution toward its cost, with the help of donations by the Holkham Estate and Wells Carnival Committee, Flagship have confirmed that payment has been received and an order has been placed with its construction partner, Miracle Play.

Works are hoping to be under way for the installation of the equipment on the week commencing 21<sup>st</sup> September 2026 and an opening should hopefully be announced shortly. If you have any queries, please do not hesitate to contact the council via the email address or telephone numbers at the head of this notice.

On behalf of the Council
